DGFT enlists 14 agencies as PSIAs in Appendix-2G and permits two PSIAs to add instruments

Public Notice No. 08/2026-27 · May 8, 2026

Public Notice No. 08/2026-27 dated May 8, 2026 enlists fourteen agencies as Pre-Shipment Inspection Agencies (PSIAs) and includes them in Appendix-2G of the Appendices and Aayat Niryat Forms of the Foreign Trade Policy, 2023, in terms of para 2.52 (c) of the Handbook of Procedure, 2023, with immediate effect. Each is listed with its file number, head office and count of approved instruments (hand-held radiation survey meters and spectrometers).

The notice also permits two existing PSIAs to add instruments to their approved lists, and, as stated in its effect clause, updates the list of PSIAs by removing agencies whose enlistment or renewal validity has expired and has not been renewed. The approvals follow consideration by the Inter-Ministerial Committee, based on comments and recommendations of the Atomic Energy Regulatory Board.

The newly enlisted agencies are recognized for issuing Pre-Shipment Inspection Certificates online through the DGFT Portal from the date of publication. The agencies must keep valid calibration certificates, provide a valid bank guarantee, update instrument mapping on the DGFT Portal if required, maintain a registered office and a scheduled-bank account in India, and comply with the FTP, HBP and DGFT guidelines.

Annexure-A gives instrument-level details for each applicant: make, model, unique or lot number, calibration dates, invoice details and the committee's comment.
