DGFT removes the per-consignment value limit on courier exports from April 1, 2026

Notification No. 67/2025-26 · S.O. 1668(E) · March 27, 2026

The Central Government amends Paragraph 9.05 of the Foreign Trade Policy (FTP) 2023, which covers export through courier service/post.

The existing text permits exports through a registered courier service/Foreign Post Office as per Notification(s) issued under the Customs Act, 1962, regulates the exportability of such items in accordance with FTP/Export Policy in ITC(HS), and sets the value limit for exports through courier service at INR 10,00,000 per consignment.

The revised text keeps the first two provisions and replaces the value limit with the statement that there shall be no value limit prescribed per consignment for exports through courier service. The amendment comes into effect from April 1, 2026, from which date the per-consignment value limit stands withdrawn.
