DGFT sets the modalities for export of an additional 5 LMT of wheat flour under HS 1101

Public Notice No. 48/2025-26 · February 24, 2026

By Public Notice No. 48/2025-26 dated February 24, 2026, the Directorate General of Foreign Trade sets the modalities for eligibility, receipt and processing of applications for authorizations to export an additional quantity of 5 LMT of wheat flour and related products under HS Code 1101, as notified by Notification No. 61/2025-26 dated February 24, 2026.

Applicants with an active IEC apply online on the DGFT website under Export Management Systems, License for Restricted Exports. The text states that applications are invited during the first ten days of each month starting from March 1, 2026, to March 10, 2026, till the balance of the 05 LMT is available. Applicants submit past wheat export performance, confirmed export orders or contracts, a Chartered Accountant certificate of export turnover for the preceding five financial years, and a self-declaration that only domestic wheat will be used.

A Special Exim Facilitation Committee (EFC) constituted by the Director General of Foreign Trade recommends the allocation, considering previous export history or confirmed export orders, and may recommend re-allocation on periodic review. Out of the 05 LMT, 2.5 LMT is to be considered for applications from State Trading Enterprises and Cooperative Societies functioning under the aegis of Government of India that handle agricultural commodities.

Applications for less than 2,500 MT, applications sent by post or e-mail, applications with misdeclaration and applications outside the window are not considered. Authorizations are valid for six months and are non-transferable.
