Anti-dumping duty on jute from Bangladesh and Nepal revised

CBIC · September 24, 2026

The Ministry of Finance (Department of Revenue) issued Notification No. 24/2026-Customs (ADD), G.S.R. 845(E), dated September 24, 2026 and published the same day in the Gazette of India, Extraordinary, Part II, Section 3, Sub-section (i), No. 775. It amends Notification No. 33/2022-Customs (ADD), dated December 30, 2022 (G.S.R. 914(E)), which imposed the anti-dumping duty on "Jute Products comprising of Jute Yarn/Twine (multiple folded/cabled and single), Hessian Fabric, Jute Sacking Bags and Jute Sacking Cloth" under tariff headings 5307, 5310, 5607 or 6305, originating in or exported from Bangladesh and Nepal. It substitutes that notification's Table and its paragraph 2. It is made under sub-sections (1) and (5) of section 9A of the Customs Tariff Act, 1975, read with rules 18 and 23 of the anti-dumping duty rules of 1995, under F. No. CBIC-190354/127/2026-TRU, and is signed by Dheeraj Sharma, Under Secretary.

The designated authority initiated a mid-term review of the duty on June 30, 2025, by notification No. 7/11/2024-DGTR, on the need for re-determination of the duty. In its final findings, F. No. 7/11/2024-DGTR, dated June 25, 2026 and published in the Gazette of India, Extraordinary, Part I, Section 1, the same day, it recommended re-quantification of the duty for the remaining period of imposition under Notification No. 33/2022-Customs (ADD). The notification does not give the dumping or injury margins or the period of investigation.

The new Table has 82 entries, in US dollars per metric ton (MT), on "Jute Yarn/Twine", "Hessian Fabric" or "Sacking Bags" in all forms and specifications. It lists 36 producers in Bangladesh. Of their 25 yarn or twine entries, 20 are USD 69 and the rest nil to USD 139. Of their 25 sacking bag entries, 17 are USD 120 and the rest nil to USD 155. Their five hessian fabric entries are nil or USD 88. For any other producer in Bangladesh, the duty is USD 445 on yarn or twine, USD 88 on hessian fabric and USD 283 on sacking bags. For the five producers listed in Nepal, the amounts run from nil to USD 153; for any other producer there, they are USD 119, USD 292 and USD 247 on the same three products. Goods from any other country exported from Bangladesh or Nepal carry that country's rates for other producers. An individual rate needs a valid commercial invoice with the declaration the notification sets out; without it, the rate for all other producers applies.

The new paragraph 2 applies the duty on jute sacking bags from Bangladesh to "Jute Sacking Cloth" under heading 5310 from Bangladesh. It excepts cloth produced by ten producers: Mouna Jute Mills Ltd.; Arnu Jute Mills Limited; Rahman Jute Mills (Pvt.) Ltd.; Jamuna Jute Industries Limited; Sagar Jute Spinning Mills Limited; Sidlaw Textiles (Bangladesh) Limited; Partex Jute Mills Limited, Bangladesh; Asha Jute Industries Limited; Nawhata Jute Mills Ltd.; and Mymensingh Jute Mills Ltd. The duty on sacking cloth does not apply if the goods are imported by a manufacturer of goods other than jute sacking bags who follows the Customs (Import of Goods at Concessional Rate of Duty or for Specified End Use) Rules, 2022 and gives the Deputy Commissioner or Assistant Commissioner of Customs an undertaking. The undertaking states

the intended use, that the cloth will not be converted into jute sacking bags, and that the importer will pay an amount equal to the duty if it is. The paragraph does not say which bag entry applies to cloth from a producer the Table lists only for yarn or hessian fabric. Before this, the Table as corrected by Corrigendum-II of October 26, 2023 had sacking cloth entries of its own, which set a nil duty for these ten producers.

The notification states no date from which the new Table applies and no period of its own. It recites that the final findings recommended re-quantification for the remaining period of imposition under Notification No. 33/2022-Customs (ADD). That notification's paragraph 3, as renumbered by Corrigendum-II, levies the duty for five years from its publication in the Official Gazette, dated December 30, 2022, unless revoked, superseded or amended earlier. Later, the Directorate General of Trade Remedies' countervailing duty final findings of September 28, 2026 (F. No. 6/35/2025-DGTR) recommended a five-year countervailing duty on jute products from Bangladesh and Nepal; CBIC's list of countervailing duty notifications showed none imposing it on October 28, 2026.
