ASI proposes to protect Temple No. 1 at Amarpur, Tripura

Ministry of Culture · October 29, 2026

The Ministry of Culture (Archaeological Survey of India) issued Notification S.O. 5900(E), dated October 29, 2026, in the Gazette of India, Extraordinary, Part II, Section 3, Sub-section (ii), No. 5668 (CG-DL-E-02112026-277589). Using its power under section 4(1) of the Ancient Monuments and Archaeological Sites and Remains Act, 1958, the Central Government gives notice that it intends to declare Temple No. 1 at the Rajbari Complex, Amarpur, Gomati district, Tripura, a monument of national importance. Yadubir Singh Rawat, Director General, signed it (F. No. T-19012/10/2020-M).

Anyone with an interest in the monument may object within two months from the date the notification was issued. Objections go to the Director General, Archaeological Survey of India, 24 Tilak Marg, New Delhi-110001, or dg.asi@gov.in. The Central Government will consider the objections it receives in that period.

The schedule lists five plots, 0.32 acre in all: part of plot 1831 (khata 2565, 0.106 acre, Anil Chandra Saha), part of plot 1877 (khata 1239/23, 0.048 acre, Hiranmayee Chowdhury), plot 1878 (khata 1/10, 0.059 acre, Government of Tripura), plot 1879 (khata 1239/24, 0.026 acre, Hiranmayee Chowdhury) and plot 1880 (khata 1239/25, 0.081 acre, Hiranmay Choudhary). A site plan marks the limit of the monument.

This is a notice, not yet a declaration, and it gives no date for one. Once a site is declared, sections 20A and 20B of the same Act make the area within 100 metres of the limit of the protected monument a prohibited area, and the next 200 metres a regulated area. No new construction is allowed in the prohibited area. Repair or renovation of an existing building there, and any construction, reconstruction, repair or renovation in the regulated area, needs permission from the competent authority under the Act.
