Knee implant ceiling prices extended to January 15, 2027

NPPA · November 13, 2026

The National Pharmaceutical Pricing Authority (NPPA), Department of Pharmaceuticals, Ministry of Chemicals and Fertilizers, has extended the ceiling prices of Orthopaedic Knee Implants for Knee Replacement System by up to two months beyond November 15, 2026, to January 15, 2027, unless amended by a later notification. The order, S.O. 6222(E), is dated November 13, 2026 and published in the Gazette of India, Extraordinary, Part II, Section 3, Sub-section (ii), No. 5982 (CG-DL-E-13112026-277903). It is signed by Bhiva Ram Yadav, Assistant Director, under PN/286/154/2026/F/F. No. 8(154)/2026/D.P./NPPA-Div.-II.

NPPA first notified the ceiling prices under S.O. 2668(E), dated August 16, 2017, and has extended them from time to time. The last extension, S.O. 5190(E), dated November 14, 2025, was in force up to November 15, 2026. The new order extends the period for which S.O. 5190(E) stays in force. It gives one reason: representations received from manufacturers and industry associations are under NPPA's consideration. Notes (b) to (t) of S.O. 2668(E) stay in force while the order lasts. The order does not restate the prices.

The decision was taken at the 286th meeting of the Authority overall, its 154th under the DPCO, 2013, held on November 11, 2026 and chaired by Manoj Joshi, Secretary, Department of Pharmaceuticals and Chairman, NPPA. The minutes, Proceeding No. 286/154/2026/F, record under agenda item 4 that the Authority was briefed on the representations and decided on the two-month extension. The minutes were signed by Sai Ahlladini Panda, Member Secretary, on November 13, 2026.
