NPPA fixes retail prices for 34 new drugs

NPPA · November 2, 2026

The National Pharmaceutical Pricing Authority (NPPA), under the Department of Pharmaceuticals of the Ministry of Chemicals and Fertilizers, issued Order S.O. 5998(E) dated November 2, 2026, published the same day in the Gazette of India, Extraordinary, Part II, Section 3, Sub-section (ii), No. 5766. It uses the powers in paragraphs 5, 11 and 15 of the Drugs (Prices Control) Order, 2013 (DPCO, 2013), read with S.O. 1394(E) of May 30, 2013, S.O. 5249(E) of November 11, 2022 and S.O. 3516(E) of June 30, 2026.

The order fixes the retail price, exclusive of Goods and Services Tax (GST), of 34 formulations, each with its strength, unit and manufacturer and marketing company. They include oral suspensions, an oral solution, drops, tablets, capsules, injections, orally disintegrating strips, a gel and three combikits of vonoprazan with amoxicillin, two of them also with clarithromycin. Prices run from ₹0.60 per ml for an ibuprofen and paracetamol suspension to ₹5,623.07 per vial for Gemcitabine Injection 1.4g/36.84 ml. The table below lists all 34.

Each formulation is a "new drug" under paragraph 2(1)(u) of the DPCO, 2013, and the manufacturer named in the table must fix its retail price at no more than the price listed. Any other existing manufacturer launching the same new drug, with the same name, strength and unit, within twelve months of the order's publication in the Official Gazette may do so at no more than that price, if it files Form-IA on IPDMS 2.0 with supporting documents within one month of launch. GST may be added only if it has actually been paid or is payable. The manufacturer works out the price of a pack under paragraph 11 and must issue a price list in Form V to NPPA through IPDMS, with a copy to the State Drug Controller and dealers, and retailers and dealers must display it. A manufacturer or marketing company that does not keep to the price must deposit the overcharged amount with interest under the DPCO, 2013 read with the Essential Commodities Act, 1955.

The order does not give pack sizes, a maximum retail price for a pack or a date from which the prices apply, and it does not say when any of the drugs were launched. It is signed by Bhiva Ram Yadav, Assistant Director, under PN/285/153/2026/F/F. No. 8(153)/2026/D.P./NPPA-Div.-II.
