Notification S.O. 4182(E)

Television set deadline extended to January 26, 2027

MeitY · July 26, 2026

The Ministry of Electronics and Information Technology (MeitY) issued notification S.O. 4182(E), dated July 26, 2026 and published in the Gazette of India, Extraordinary, Part II, Section 3, Sub-section (ii), No. 4012, dated July 28, 2026. Its subject is the extension in timelines for the implementation of the Order for product categories included in the schedule of the Compulsory Registration Order (CRO) vide S.O. 1929(E), published in the Gazette of India on April 26, 2023. The notification is published in Hindi and English.

The notification recites that S.O. 1929(E), issued under sub-sections (1) and (2) of section 16 read with sub-section (3) of section 25 of the Bureau of Indian Standards Act, 2016, added "Television Sets" at Sl. No 64 of the Schedule of the "Electronics and Information Technology Goods (Requirements for Compulsory Registration) Order, 2021" for compliance to IS 18112:2022. It states that the date of coming into effect of the Order was July 26, 2026.

The notification states that the date of implementation of the Order stands extended to January 26, 2027. It contains no other provision. It does not give a reason for the extension, it does not change the Indian Standard, and it gives the standard only by its number, IS 18112:2022. It does not say how television sets made or imported before January 26, 2027 are to be treated. BIS's circular Reg/ IS 18112/Guidelines/06 of July 31, 2026 prints the standard's title as "Digital Television Receiver for Satellite Broadcast Transmission Specification" and says that its guidelines of October 14, 2025 are now to be read with January 26, 2027 as the date of implementation.

The notification is issued under F. No. W-47/7/2023-IPHW and signed by Asha Nangia, GC & Scientist ‘G’. Its note records that the principal Order was published vide S.O. 1248(E) dated March 18, 2021, and lists eleven later amendments, the first S.O. 1353(E) dated March 25, 2021 and the last S.O. 2204(E) dated May 5, 2026.

Issued by	Ministry of Electronics and Information Technology
Document	Notification S.O. 4182(E)
