Quality Control Order for electric ceiling type fans (IS 374: 2019)

Electric Ceiling Type Fans (Quality Control) Order, 2023 · Ministry of Commerce and Industry (Department for Promotion of Industry and Internal Trade)

The Electric Ceiling Type Fans (Quality Control) Order, 2023 was issued by the Ministry of Commerce and Industry (Department for Promotion of Industry and Internal Trade) as S.O. 3641(E), dated August 9, 2023, and published in the Gazette of India on August 14, 2023. It covers electric ceiling type fans, against IS 374: 2019, Electric Ceiling Type Fans - Specification.

The fans must conform to that standard and bear the Standard Mark under a licence from the Bureau of Indian Standards, as per Scheme-I of Schedule-II of the Bureau of Indian Standards (Conformity Assessment) Regulations, 2018. Goods manufactured domestically for export are excluded. The Bureau is the certifying and enforcing authority, and contraventions are punishable under the Bureau of Indian Standards Act, 2016.

The order was to come into force six months from the date of publication, nine months for small enterprises and twelve months for micro enterprises, as defined under the Micro, Small and Medium Enterprises Development Act, 2006. As issued, it also excluded goods manufactured domestically by Udyam-registered enterprises with investment in plant and machinery or equipment of up to twenty-five lakh rupees and turnover of up to two crore rupees.

S.O. 777(E), dated February 12, 2026, which amended eight Quality Control Orders, substituted that proviso: the order does not apply to goods or articles manufactured by an enterprise registered under the Udyam Portal whose investment at original cost does not exceed rupees one crore and whose turnover does not exceed rupees five crore for the previous financial year, as certified by a Chartered Accountant.

Order	Electric Ceiling Type Fans (Quality Control) Order, 2023
Issued by	Ministry of Commerce and Industry (Department for Promotion of Industry and Internal Trade)
Product group	Electric Ceiling Type Fans
Where it stands	Amended
What it requires	Electric ceiling type fans must conform to IS 374: 2019 and bear the Standard Mark under a licence from the Bureau of Indian Standards, as per Scheme-I of Schedule-II of the Bureau of Indian Standards (Conformity Assessment) Regulations, 2018. The latest version of the standard, including amendments, applies from the date the Bureau notifies it.

Certification scheme	Scheme-I of Schedule-II of the Bureau of Indian Standards (Conformity Assessment) Regulations, 2018
Came into force	Six months from the date of publication of the notification (published August 14, 2023)
Small enterprises	Nine months from the date of publication for small enterprises and twelve months for micro enterprises, as defined under the Micro, Small and Medium Enterprises Development Act, 2006.
Exemptions	• Goods or articles manufactured domestically for export • Goods or articles manufactured by an enterprise registered under the Udyam Portal of the Ministry of Micro, Small and Medium Enterprises whose investment in plant and machinery or equipment at original cost does not exceed rupees one crore and whose turnover does not exceed rupees five crore for the previous financial year, as certified by a Chartered Accountant (as substituted by S.O. 777(E); as issued, the proviso excluded goods manufactured domestically by such enterprises with investment in plant and machinery or equipment not exceeding twenty-five lakh rupees and turnover not exceeding two crore rupees)
Enforcement	The Bureau of Indian Standards is the certifying and enforcing authority. Any person who contravenes the order is punishable under the provisions of the Bureau of Indian Standards Act, 2016.
