Quality Control Order for insulated flasks, bottles and food containers for domestic use

Insulated Flask, Bottles and Containers for Domestic Use (Quality Control) Order, 2024 · Ministry of Commerce and Industry (Department for Promotion of Industry and Internal Trade)

The Insulated Flask, Bottles and Containers for Domestic Use (Quality Control) Order was first issued by the Ministry of Commerce and Industry (Department for Promotion of Industry and Internal Trade) as S.O. 3140(E), dated and published on July 14, 2023. It covers insulated flasks, bottles and containers for domestic use against IS 17790:2022, Insulated Flask for Domestic Use, IS 17526:2021, Domestic Stainless steel vacuum flask/bottle, and IS 17569:2021, Insulated Container for Food Storage.

The goods must conform to the corresponding standard and bear the Standard Mark under a licence from the Bureau of Indian Standards, as per Scheme-1 of Schedule-II of the Bureau of Indian Standards (Conformity Assessment) Regulations, 2018. Goods made in India for export are excluded. The Bureau is the certifying and enforcing authority, and contraventions are punishable under the Bureau of Indian Standards Act, 2016.

On March 5, 2024, S.O. 1072(E) replaced the 2023 order with the 2024 order, which comes into force three months from publication, six months for small enterprises and nine months for micro enterprises. S.O. 3705(E) of August 29, 2024 allowed declared stock made or imported before commencement to be sold for up to six months from that amendment's commencement.

S.O. 777(E) of February 12, 2026 raised the limits for the exclusion of enterprises registered on the Udyam Portal from twenty-five lakh rupees of investment and two crore rupees of turnover to rupees one crore and rupees five crore. The 2024 order was made in supersession of the 2023 order, except as respects things done or omitted to be done before the supersession.
