Quality Control Order for multipurpose dry batteries (IS 8144)

Multipurpose Dry Batteries (Quality Control) Order, 1987 · Ministry of Food and Civil Supplies (Department of Civil Supplies)

The Multipurpose Dry Batteries (Quality Control) Order, 1987 was issued by the Ministry of Food and Civil Supplies (Department of Civil Supplies) as S.O. 516(E), published in the Gazette of India on May 26, 1987, under section 14 of the Bureau of Indian Standards Act, 1986. It came into force on October 1, 1987.

It covers multipurpose dry batteries, defined in the order as a single unit packaged power cell, ready for use, appropriately jacketed and labeled, and intended for use in multipurpose application. The specified standard is IS 8144, Specification for Multipurpose Dry Batteries.

No person may manufacture, store for sale, sell or distribute multipurpose dry batteries that do not conform to the specified standard, and the batteries are to carry the Standard Mark of the Bureau of Indian Standards. Sub-standard or defective batteries, raw material or components that do not conform to the standard must be deformed beyond use and disposed of as scrap. The order does not apply to exports that conform to specifications required by the foreign buyer, provided those specifications are not less than the specified standard.

The register lists no later notification for this order.

Order	Multipurpose Dry Batteries (Quality Control) Order, 1987
Issued by	Ministry of Food and Civil Supplies (Department of Civil Supplies)
