Order requiring boric acid to conform to IS 10116:2015 and carry the Standard Mark

Bureau of Indian Standards (Standards for Boric Acid) Order, 2019 · Ministry of Agriculture and Farmers Welfare (Department of Agriculture, Co-operation and Farmers Welfare)

The Bureau of Indian Standards (Standards for Boric Acid) Order, 2019 was issued by the Ministry of Agriculture and Farmers Welfare (Department of Agriculture, Co-operation and Farmers Welfare) as S.O. 1766(E), dated May 16, 2019, and published in the Gazette of India on May 17, 2019. It covers boric acid, against IS 10116:2015, Boric Acid -Specification.

Boric acid must conform to that standard and bear the Standard Mark under a licence issued by the Bureau of Indian Standards in accordance with the Bureau of Indian Standards (Conformity Assessment) Regulation, 2018. The order names no particular certification scheme. It does not apply to goods meant for export that conform to the specification required by the country of its export. The latest version of the standard, with its amendments, applies from the date the Bureau notifies.

The Bureau is the certifying and enforcing authority, and may designate an officer not below the rank of General Manager of a District Industries Center in a State Government's Department of Industries as the enforcing authority for the order. The order names no penalty.

The order came into force on the date of its publication in the Official Gazette, May 17, 2019. The register lists it as in force and records no later amendment.
