Quality Control Order for plywood and wooden flush door shutters

Plywood and Wooden flush door shutters (Quality Control) Order, 2024 · Ministry of Commerce and Industry (Department for Promotion of Industry & Internal Trade)

The Plywood and Wooden flush door shutters (Quality Control) Order was first issued by the Ministry of Commerce and Industry (Department for Promotion of Industry and Internal Trade) as S.O. 3841(E), dated August 29, 2023 and published on August 31, 2023. It covers plywood and wooden flush door shutters against ten Indian Standards: general purpose, marine, fire retardant, veneered decorative, concrete shuttering and structural plywood, and solid core and cellular and hollow core flush door shutters.

The goods must conform to the corresponding standard and bear the Standard Mark under a licence from the Bureau of Indian Standards, as per Scheme-1 of Schedule-II of the Bureau of Indian Standards (Conformity Assessment) Regulations, 2018. Goods made in India for export are excluded. The Bureau is the certifying and enforcing authority, and contraventions are punishable under the Bureau of Indian Standards Act, 2016.

The 2023 order was to come into force six months from notification. On March 15, 2024, S.O. 1377(E) replaced it with the 2024 order, which set fixed dates: February 28, 2025, May 28, 2025 for small enterprises and August 28, 2025 for micro enterprises.

On February 12, 2026, S.O. 775(E) and S.O. 776(E) exempted, for this and 25 other orders, consignments shipped or ordered before the date of implementation and entered within one hundred and eighty days after it. The 2024 order was made in supersession of the 2023 order, except as respects things done or omitted to be done before the supersession.

Order	Plywood and Wooden flush door shutters (Quality Control) Order, 2024
Issued by	Ministry of Commerce and Industry (Department for Promotion of Industry & Internal Trade)
Product group	Plywood and Wooden flush door shutters
