Quality Control Order for poly aluminium chloride (IS 15573 : 2018)

Poly Aluminium Chloride (Quality Control) Order, 2019 · Ministry of Chemicals and Fertilizers (Department of Chemicals and Petrochemicals)

The Poly Aluminium Chloride (Quality Control) Order, 2019 was issued by the Ministry of Chemicals and Fertilizers (Department of Chemicals and Petrochemicals) as S.O. 2790(E), dated August 5, 2019, under sub-sections (1) and (2) of section 16, read with sub-section (3) of section 25, of the Bureau of Indian Standards Act, 2016. It covers poly aluminium chloride against IS 15573 : 2018, Specification for Poly Aluminium Chloride.

Poly aluminium chloride must conform to the standard and bear the Standard Mark under a licence from the Bureau of Indian Standards as per Scheme-I of Schedule-II of the BIS (Conformity Assessment) Regulations, 2018. The order does not apply to goods meant for export that conform to the specification required by the foreign buyer.

The Bureau of Indian Standards is the authority to certify and enforce conformity to the Standard Mark, and the District Industries Centre in the Department of Industries of the State Government is also an enforcing authority. The order comes into force on the one hundred and eighty-first day from the date of its publication in the Official Gazette. The register lists no later notification for this order.
