# Quality Control Order for rubber hoses for LPG, industrial, domestic and commercial use

Rubber Hose for Liquefied Petroleum Gas (LPG) (Quality Control) Order, 2020 · Ministry of Commerce and Industry (Department for Promotion of Industry and Internal Trade)

The Rubber Hose for Liquefied Petroleum Gas (LPG) (Quality Control) Order, 2020 was issued by the Ministry of Commerce and Industry (Department for Promotion of Industry and Internal Trade) as S.O. 478(E), dated January 28, 2020 and published in the Gazette of India on January 31, 2020. It covers rubber hoses for liquefied petroleum gas against IS 9573 (Part 1):2017, for industrial application, and IS 9573 (Part 2):2017, for domestic and commercial application.

The hoses must conform to the corresponding standard and bear the Standard Mark under a licence from the Bureau of Indian Standards, as per Scheme-I of Schedule II of the Bureau of Indian Standards (Conformity Assessment) Regulations, 2018. The latest version of the standards, with their amendments, applies from the date the Bureau notifies it. Goods meant for export are excluded.

The order provides that it comes into force with effect from August 1, 2020. The Bureau is the certifying and enforcement authority; the order does not name a penalty provision. The register lists it as in force, with no later notification on it in this record.
