Quality Control Order for transparent float glass (IS 14900: 2018)

Transparent Float Glass (Quality Control) Order, 2021 · Ministry of Commerce and Industry (Department for Promotion of Industry and Internal Trade)

Transparent float glass was first brought under the Transparent Float Glass (Quality Control) Order, 2019, issued by the Ministry of Commerce and Industry (Department for Promotion of Industry and Internal Trade) as S.O. 03(E), dated December 31, 2019, and published in the Gazette of India on January 1, 2020. It required the glass to conform to IS 14900: 2018, Transparent Float Glass–Specification, with effect from July 1, 2020.

The Transparent Float Glass (Quality Control) (Amendment) Order, 2020 (S.O. 2016(E), June 23, 2020) substituted words and figures in paragraph 1(2) of that order, the paragraph that sets its commencement date.

On May 17, 2021 the same department issued the Transparent Float Glass (Quality Control) Order, 2021 (S.O. 1928(E), published May 18, 2021) in supersession of the 2019 order, except as respects things done or omitted to be done before the supersession. It requires transparent float glass to conform to IS 14900: 2018 and bear the Standard Mark under a licence from the Bureau of Indian Standards, as per Scheme I of Schedule-II of the Bureau of Indian Standard (Conformity Assessment) Regulations, 2018, with effect from April 1, 2022. The Table's note says the latest version of the standard applies from the date the Bureau notifies it.

The order does not apply to goods or articles meant for export. The Bureau is the certifying and enforcement authority; the order contains no separate penalty paragraph. The 2021 order is the latest notification in this record.
